**Color Sample Options:** Your guest/ hostess may choose a Makeup Artist Look from the current Look Book or a custom look based on her eye color.

**Makeup Artist Looks:** For on trend looks for the season, refer to the Look Book and order samples from all four Makeup Artist Looks.

## Custom look:

- Order all colors from the eye bundles on pg. 32 (notice that some colors are the same). You will package the (3) colors that coordinate with her eye color according to the eye bundles. Next, add the other samples listed below to finish her look.
- Deep Brown and/or Black liner(they can use mineral eye colors as liners too)
- Soft Blush lip liner samples
- Natural Beaute and Sienna Brulee True Dimensions lipstick samples
- They can choose from the lip gloss demos you have.
- Citrus Bloom cheek color samples

## Follow Up Order of Application:

- After applying Foundation Primer.
- Apply concealer to cover under eye dark circles, scars, age spots and blemishes.
- Apply foundation
- Apply Facial Highlighting Pen to the inner corners of eyes, outer edges of the nose, vertical lines beside the mouth and under the lower lip in a downward and outward motion.
- Set the flawless finish with Translucent Loose Powder.
- Apply the highlighting shade of mineral eye color (1) and the midtone color (2). Midtone shade should be a matte color such as Hazelnut.
- Apply eye liner from corner to corner on upper and lower lid. (Can use eye liner or accent (3) color).
- Apply Lash Primer with Ultimate Mascara wand.
- Apply 1<sup>st</sup> coat of Mascara - Ultimate
- Apply Bronzing Powder to contour of cheeks, up the temple to the corner of the forehead.
- Apply accent eye color (3). Blend all mineral eye colors with blending brush.
- Apply mineral cheek color to the apples of both cheeks.
- Apply Lip Liner.
- Apply 2<sup>nd</sup> coat of mascara – Lash Love with the Lash Love Wand
- Apply Lip Liner, Lipstick and finish with gloss. (for fuller looking lips, apply lip liner to outer edge of natural lip line)
- Apply Make-Up finishing spray
