- Invite 8 to 10 guests in order to have 4 to 6 attend.
- Mention that there will be products available to take home.
- Guests should understand that this is on a reservation basis and you will need to know if they are coming.
- Take outside orders - Insures you receive the most for your efforts. Fill out all 10 slips and you may choose one FREE glamour item!
- Keep refreshments simple and serve them after the presentation.
- If we book & hold 2 future parties from your guests you will receive another glamour gift from me.

When inviting your guests you might say:

"Hi _____ this is _____. I have invited a professional skin care consultant to my home on _____ at _____am/pm.

You are invited to come and receive a skin care makeover,

learn some personalized tips and see the latest new colors

and products. Since this is by reservation, I must know for sure if you plan to

attend. And.... should you like anything the consultant will have products for

you to take home.

Don't forget to mention that Mary Kay is the best-selling brand of skin care & color cosmetics since 1993

I am really looking forward to meeting all of your special

friends and treating everyone to a fun, learning adventure!
