**Extensive Research. Innovative Ingredients. Comprehensive testing.  
Go back in time. And lift away the years.**

*A Scientific Breakthrough and Skin Care Routine targeting  
Deep Lines & Wrinkles and Skin Preservation*

## TEST PANEL

NAME: \_\_\_\_\_ Date of Trial: \_\_\_\_\_

1. Initial observation of your skin: What characteristics/areas of your skin do you feel could use improvement if any? \_\_\_\_\_  
\_\_\_\_\_

2. What is your current skin care routine? (Include the product line if known)

DAY: \_\_\_\_\_

NIGHT: \_\_\_\_\_

3. What do you look for in a product or product line when considering a purchase?

4. Do you find yourself reading the backs of product boxes or asking questions about anti-aging products in the department store or retail store? \_\_\_\_\_

5. Do you take the time to care for your skin every morning and every evening?

6. Is time a factor in your skin care routine? Do you prefer quick and simple or do you take more pampering time for yourself?

7. Do you feel your environment, lifestyle or family genes may contribute to the condition of your skin? (i.e. excessive sun exposure, smoking, drinking, or workplace)? Explain:

\_\_\_\_\_  
\_\_\_\_\_

~~~~~

8. Routine Ease: Explain your thoughts about the routine of the TIMEWISE REPAIR product line you just experienced:

\_\_\_\_\_

9. Observation of your skin: Today what changes do you:

SEE: \_\_\_\_\_

FEEL: \_\_\_\_\_

- |                |                |           |            |
|----------------|----------------|-----------|------------|
| Softness       | Even Skin Tone | Hydrated  | Smooth     |
| Lifting        | Firmness       | Energized | Firm       |
| Less Puffiness | Elasticity     | Fresh     | Tightening |

Observation of your skin: (additional room to comment if needed:

---

---

---

10: Comment on your experience and the presentation of the product. Your feedback is what brings value to my business and customer service. Please explain:

---

---

---

11. Based on the benefits you heard about or experienced today, is this routine one you would consider and be committed to doing morning and evening? Please explain:

---

---

---

12. Is there a typical price point you look for in a product/product line or is the benefit of the product more important? Explain:

---

---

---

Your time and feedback is valued and greatly appreciated. Thank you!
