**Saturday's November 23, December 14 and 21  
From 10a-4pm**

**Your cost is \$10 payable to your Director**

- You may invite customers and prospective customers. We suggest you arrange to meet "hostesses" with their guests at specific times and give them hostess credit for their guests purchases. For all other guests you do not need to be in attendance. Directors will be in attendance at all times.**
- Your guests will be warmly greeted, offered refreshments and assisted as much as they want/need to generate a wish list and/or order. You may bring in while you are there ONLY, one basket of "cash/carry" items.**
- All sales tickets, wish lists and moneys will be put into an envelope with your name so you can follow up in a timely manner.**
- You do not need to own all the products displayed. You will use the money paid to order anything you do not have.**
- As soon as you've paid your \$10 fee you will receive the invitation master. Start putting them in your reorder bags and/or mail them to your customers. The most important piece is to call everyone you've invited to book their time slot. Remember, you can choose when you are there so book yourself up!**
