

## AWESOME TIP & PHOTO CONTEST

### Our Beauty Consultants DO THE POWER 10!

"I may be doing Mary Kay as a part time business, but I am doing it wholeheartedly, because I am also a police officer.

I make it a point that I find time to book and do my skin care classes, teambuilding interviews and customer service before or after my duties or during my day offs. It's a matter of planning ahead. I am glad that Mary Kay gave us these successful habits and with this, my business will never go astray. I love Mary Kay :)"

**-Venessa Fabella-Andong**

"Mirror! Mirror of Mary Kay! Who's the fairest of them all!"

As a Mary Kay Beauty Consultant, I am happy that I am able to give confidence to other women through my skin care classes. Best of all, it paves way for more networks and productivity in my business."

PS. Those black mirrors and headbands are essential tools to use in my skin care classes. - **Joylie Paden**

"Everywhere I go, I always bring my Starter Kit. After attending a friend's wedding, I gave my friends a superb pampering and makeover session. I was able to sell products right away and got a friend to join Mary Kay." - **Mebdy Viste**
