

OK.....If Julie Potts says, "this has always been my #1 booking tool".....IT'S SOMETHING EVERYONE SHOULD DO!!!

Ok this is fantastic!! My #1 booking tool has always been the portfolio and I head out in every new town I move to and start a new portfolio for that city and then it becomes a portfolio for the 4 seasons. This is beautifully done. Print off or send to kinkos to print in good quality. Put in a thin booklet to take out with you. Which means you need a purse or tote big enough to put it in with your date book!

Beautiful Beyond Belief Unit, your assignment for the rest of June is to book Portfolio appts., fill your date book up for the rest of June and all of July. Everyone that books will receive a gift from me.

GO UNIT GO!!

Much Love & Belief,
