It’s so simple and easy to use; it’s skin care that matches Botanical Effects® products for a custom-ideal, personalized plan just for you.

Key Ingredients

Antioxidant-packed dragon fruit extract

The dragon fruit extract included in each of our products is rich in antioxidants to help fight skin-damaging free radicals.

Did you know? Dragon fruit contains fatty acids and several B-complex vitamins, including the often-called “anti-stress vitamin” B1 (thiamin), plus B2 (riboflavin) and B3 (niacin). It’s also full of minerals like iron, calcium and phosphorus.

Aloe extract

Did you know? Aloe is one of the most nutritious plants in the world; its gel contains more than 75 nutrients, including 20 minerals and 12 vitamins. Aloe vera is shown to help maintain the skin’s moisture barrier and has a high vitamin E content, a popular antioxidant in skin care. It’s also shown to promote healthy skin and cell turnover. Aloe is often called the “miracle plant” for its reported soothing properties.
